

ABOUT US

HISTORY:

The Greater Baldwinsville Chamber of Commerce was founded in 1961 with 75 business and individual members. Over the past 50 years, the Chamber has been involved in making Baldwinsville one of the most progressive and vital communities in Central New York. Revitalization of the riverfront, restoration of the Village core, and growth in our surrounding neighborhoods has made Baldwinsville a superior area in which to live and work.

HOW TO JOIN:

Chamber benefits are for members only. It is easy to join. Call the office or contact us through the website to download an application.

Committed to develop, encourage, promote, and protect the professional, financial and general interest of the business community.
